Eight Richard Hutten Contemporary Chandeliers Monumental Dutch Design Lighting

ARTIST: Richard Hutten

## THE NETHERLANDS 2012

Set of **8 large chandeliers**, each composed of 7 tiers of black, grey, and white lacquered steel elements, ending with a diffuser that reveals a warm white LED light.

**Specifically created** for the Nederlands Fotomuseum Rotterdam, for the exhibition '*Black & White*' (2012-2014).

Dimensions of each chandelier: Height: 30.31 in (77 cm) – base width: 17.72 in × 17.72 in (45 cm × 45 cm).

Also available for purchase in pairs .

*Discover the rare elegance of Richard Hutten's contemporary chandeliers, a striking fusion of Dutch design innovation and timeless sophistication. Originally created as a special commission for the Netherlands*

Fotomuseum in Rotterdam , these sculptural suspensions feature geometric forms in lacquered black, white, and gray, brought together in a harmonious rhythm of light. Compact in scale yet monumental in presence, they are ideal for prestigious interiors, from grand hotel lobbies to private collections. An exclusive opportunity to acquire an iconic Hutten design, available at Galerie Fradin-Labrosse.
