Monumental-french-wall-light-1960s-fradin-labrosse

FRANCE circa 1960

Circle of Robert Guillerme and Jacques Chambron

Set of three identical monumental wall sconces in matte black patinated metal, cut with geometric motifs. The set consists of two vertically mounted sconces and one horizontal sconce, which may also be installed vertically.

The wall sconces originate from an interior designed with a set of furniture by Robert Guillerme and Jacques Chambron.

The original neon electrical system has been restored and replaced with LED lighting.

Dimensions:

Height (length) : 181 cm - 71"

Width: 65 cm - 25.6"

Depth (distance from wall) : 13 cm - 5.1"

The wall sconces may be sold as a set or individually.
